

Lynn Hegvick

Those of you who know Lynn, know that everything she does, she does well. It is because of her energy, attention to detail and a wealth of wonderful ideas and contacts that MOKSACVPR has been able to present quality programs at its annual meetings and within the budget! Lynn, who is an RN, BSN, has been involved with the MOKSACVPR board of directors for a number of years. She is a past president of MOKSACVPR, has attended DOTH. And has been very active with the Education committee and this year she is the chairperson. She works in Cardiac Rehab at Saint Luke's South in Overland Park, Kansas. Congratulations, Lynn!
